2009 SPRING LAUNCHING AND COMMISSION CHECKLIST

Please check off the work that you would like performed and sign below. **PRICES ARE FOR LABOR ONLY** (unless otherwise noted). Flat rates (per ft charges) are a **guideline** for boats under 40' LOA. If additional labor is required to commission engine(s) or system(s), stepping masts, the labor will be billed at the respective department's hourly rate. Work performed on boats over 40' will be charged on a time and materials basis, unless other arrangements are made at signing. Prices **DO NOT** include freight charges if applicable. Materials, sales tax, subcontract, freight, and a 1.5% environmental compliance charge are extra and will be applied accordingly. Work orders for commissioning and/or other services will be billed as work progresses and may be partially billed over several months time.
